

## Irons Junior High Library eReader (Nook) Lending Program

The Irons J.H. Library now offers Simple Touch Nooks for our patrons to borrow - so you can try out eReaders and eBooks and explore this new way of reading.

### **eReader policy:**

- Two week loan period. Renewal of an eReader is at the discretion of the library staff. Parents/Guardians on record will receive an email from the library staff when a Nook is checked out by the student.
- **Do not attempt to add or delete eBooks** from the eReader. A specific set of eBooks are loaded onto each device. The eReaders have been locked by the CISD Technology Department, and any attempt to override this will result in consequences.
- Recharge the eReader before you return it to the library.
- Extraordinary care must be taken with the eReader until it is checked back into the library. This includes financial responsibility for CISD and Irons Junior High property in the event the device and/or accompanying accessories are damaged or lost.
- Return the eReader to the Library staff directly - do not put it into the book drop, where it could be damaged and lead to charges on your library account.
- There will be a \$.25 per day charge for overdue eReaders.
- By checking out an eReader on your library account, you agree to accept full responsibility for the proper handling, authorized use, and condition of the device while in your possession. You are responsible for the retail value of the device and for any accessories accompanying it if they are lost or damaged.
