Cheating and Plagiarism

Cheating is defined as giving or receiving and/or using unauthorized information on a test or submitting duplicate work for individual assignments. Any student involved in an instance of cheating will have his paper taken and a grade of zero given. A discipline consequence may be assigned to a student found guilty of cheating.

Electronic Devices

If a student brings electronic devices he or she does so at his or her own risk. We are not responsible for lost/stolen items. If a student does have an electronic device, it should be put away in a secured locker and turned off during the school day. Permission to use the device at school should come from administration or the teacher when it is being used to enhance classroom instruction. Without such permission, teachers will collect the items and turn them in to the front office for parent pick up. A phone call will be made to notify the parent that a phone or electronic item was collected. Phones/electronics will only be returned to a parent.

Grading Guidelines

Grading guidelines for each grade level or course will be communicated and distributed to students and their parents by the classroom teacher. All subjects will follow these grading guidelines:

7 th and 8 th Grade Courses		High School Courses	
Major	60%	Major	70%
Minor	40%	Minor	30%

Homework

Homework is routinely required of students as assigned by the teacher. The purpose of homework is to provide reinforcement, extra practice and supplement classroom instruction. All homework is due the following school day. If the student does not have his/her work, he/she can turn it in for a 20-point reduction and it must be turned in before the following progress report.

Lockers

Lockers will be issued to students by request only through the Assistant Principal's office. Students keep that assigned locker until the end of the year. Any properties, money and other valuables left in lockers are the responsibility of the student to whom the locker is assigned. Locks should be secured at all times when the student is not present at the locker site. Students should not share a locker or their combination with anyone other than their parents. Any item found in a locker is considered to be in that student's possession.

Lockers are the property of the Conroe Independent School District and are subject to periodic inspections by authorized school personnel.

Make Up Work

Students will be given the opportunity to make up work missed due to any absence with the exception of truancy, i.e. skipping school. Truancy is the absence of a student from school without the permission of the student's parent or guardian. It is the responsibility of the student to request and complete any assignment or test missed because of an absence. For any work assigned during a student's absence, the student will be permitted one day for each day of absence to complete that work. Students who miss class for an approved school activity are to notify the teacher in advance concerning the possibility of completing any tests or assignment prior to the absence. Long-term assignments are due even if the student is absent on that day. Students should make arrangements to have long-term assignments turned in on the date due if the student is unable to do so because of an absence.

Student Dress Code

School is a place of business, and dress code regulations will provide appropriate standards for the general appearance of students.
